Location: **Persiaran KLCC**

Min. Price: **4.50 psf**

Max. Price: **5.00 psf**

Min. Size: **3,000 sq ft**

Max. Size: **7,000 sq ft**

AMENITIES

- Parking
- CCTV
- 24hr Security

DESCRIPTION

Designed by internationally-acclaimed architects Foster + Partners, The Troika adopts the concept of a twisting building, where each floor rotates as the building rises. The 3 towers were pinned around dramatic shear walls, giving it a strong linear character. A total of 231 units, apartments, penthouses and SOHOs are housed within the towers.
