- Parking
 - 24hr Security
-

DESCRIPTION

Menara See Hoy Chan is commercial office building ideally for Multi National Corporations (MNC) or other firms who have a desire to be closed to the bustling commercial centres and shopping districts of KLCC and Bukit Bintang.

It is nestled in between the US Embassy and The Icon office tower. The major highway that allows users to reach the building is Ampang-Kuala Lumpur Elevated Highway (AKLEH) to which Jalan Tun Razak branches out and is primary road straight there. In addition, the Ampang Park LRT station is situated close by.

Menara See Hoy Chan has over 300,000 sq ft in commercial space whereby you can choose to rent the whole floor or an office unit starting from 1,700 sq ft.

For more details, please contact Mr. Victor at +6019-2802788.
