DESCRIPTION

Menara Keck Seng is a 33-storey corporate office tower located on Jalan Bukit Bintang, alongside Westin Hotel, JW Marriott Hotel and a few of the popular malls namely Starhill Gallery, Sungei Wang Plaza, Pavilion and Lot 10. It is also in the vicinity of Golden Triangle.

Within the building itself, there is a gymnasium, cafeteria and more. Employees can just walk around the area for entertainment and recreational purposes. Besides, fine dining restaurants, fast foods, street delicacies and coffee shops are all located within walking distance where you can organize a get-together after work, which may also be an effective way of reducing stress at work apart from connecting people.
