DESCRIPTION

Chulan Tower is an iconic and unique corporate office building nestled at the heart of Kuala Lumpur, within KLCC enclave. The building can be easily spotted in between Seri Melayu Restaurant and Royale Chulan Hotel.

Chulan Tower was completed in 2006, and the design boasts authentic Terengganu Malay architectural design. It also resembles a Chinese pagoda. Its facade is covered with red marbles and large glass windows that add a shot of modern element into the building.

There are various units available for rent, and start from 2,000sf. Standard unit size offered is 6,500sf. The building hosts 24-hour security with CCTV surveillance at strategic spots.
