Menara Milenium is one of Kuala Lumpur's most iconic office buildings. It stands 25 floors above street level and houses over 51,580 square meters or 555,000 square feet of Net Lettable Area (NLA).

The building is the prestigious work address of over 4,000 office staff working for renowned companies such as Ernst & Young, Philip Morris, WPP Group and Eastern & Oriental.

Located in Damansara Heights, Menara Milenium is sought as a preferred corporate address and it has extremely high commercial value. It is surrounded by affluent neighborhoods like Mont Kiara and Bangsar which have premier residential, business, restaurants and branded cafes.

Menara Milenium is also very close to the Semantan & Pusat Bandar Damansara MRT station.
