DESCRIPTION

The Ascent at The Paradigm is a modern and prime corporate office tower erected in a strategic and coveted location in Petaling Jaya. Built to MSC Cybercenter Status specified accreditation, it comprises 32-storey corporate office tower uniquely designed to stand out in form, function and convenience.

Strategically located, boldly designed and equipped with state-of-the-art infrastructure, The Ascent is all that your business needs and more:

- Multiple telecommunication service environments
- Dual Feeder Scheme for electrical supply
- Variable Refrigerant Flow (VRF) air conditioning system
- Computerised Floor destination control lifts system
- Column-free layout for design efficiency and flexibility
- High Speed broadband infrastructure via the fibre optic network
- Low-emission glass (Low-E)
- Intelligent Security System includes CCTV surveillance, smart card access system and visitor management system
- Comprehensive fire protection system
- Conveniently connected to major highways

- Ample parking space and easy access with dedicated underpass
- Availability of free shuttle services to the nearest LRT station

The Ascent is seamlessly integrated with Paradigm Mall, New World PJ Hotel and The Azure Residences, where shopping, dining, entertainment, fitness, classy hosting of functions and meetings, hotel-style living and a breathtaking view of the PJ skyline exceed your expectations of the perfect work-life balance.
