DESCRIPTION

The MET Corporate Towers consists of 2 towers stand at 30 and 42 floors respectively. The MET is completed with a high level of safety and security features, premium grade building specifications, better amenities and many intelligent Grade-A systems. The spatial offerings and unit layouts at The MET have been designed to be adaptive to varying business needs, whether it's for SMEs or MNCs.

The MET is located at KL Metropolis, a master development which will contain a mix of regional retail centres, luxury condominiums, offices and hotel components. KL Metropolis is envisioned to be Kuala Lumpur's "International Trade and Exhibition District". It is already the current location of the MITEC, MITI and MATRADE buildings, making it perfectly poised to boost the MICE sector and tourism.
